Dallas: Podo chair for beauty centre

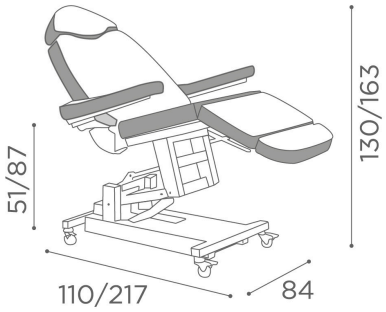

The Dallas chair is electric and is ideal for different types of beauty treatments. It is equipped with seat height adjustment, seat angle and backrest thanks to an electric pedal, it also has two separate and independent legrests, manually adjustable. The chair is also equipped with two fully rotatable armrests, so they can be used in all positions, sitting and lying down. The legrest and headrest are adjustable in length and height for total customer comfort.
