The next step for salon pedicure treatments has arrived! The stunning Atlantis pedicure chair offers both practicality and style, with a large, fully upholstered chair designed for amazing comfort (with optional manicure handrests) that rotates 90° for ease of use for both the client and the manicure / pedicure specialist. The stylish chair is supported by a rectangular structure covered in stainless steel; also on top of this elegant base is a beautifully designed basin in high quality, resistant, white technopolymer, complete with tap, shower head and floor-connected drainage system. The Atlantis also offers a padded, height-adjustable footrest that can also be moved closer or further away from the chair itself, to accommodate for clients of different heights.
