Pacific: Pedicure chair for beauty centre

The amazing comfort of the Pacific is still evident, with a curved, padded backrest and seat complementing the stylish padded armrests. Underneath the seat of the Pacific, a hidden drawer with upholstered front panel can be opened, inside which can be found an extractable stainless steel basin for pedicure treatments. A padded, upholstered footrest can also be found attached to the front panel, offering a functional, simple solution to pedicure treatments in the beauty centre. The manual reclining mechanism of the backrest offers added comfort for the client, and the Pacific is available in a choice of Skai Colours, either one or two-tone, at no extra cost.
