Wallie: Postazione manicure per centro estetico

WALLIE è la postazione manicure più piccola fino ad ora in commercio, nata per adattarsi alle esigenze dei saloni che non hanno a disposizione molto spazio ma che comunque vogliono offrire questo servizio ai loro clienti. Wallie ha una struttura in nobilitato bianco frassinato, schienale regolabile e seduta imbottita e rivestita in sky (disponibile in diversi colori), ruote per spostamenti facili, due ampi cassetti dove poter riporre tutti gli smalti e gli strumenti per la manicure. Ha inoltre un piano d'appoggio in legno, regolabile in altezza dotato di vaschetta.

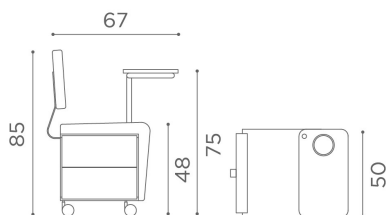

La poltroncina per manicure Wallie è ora disponibile in nuove versioni ancora più versatili: senza ripiano per manicure, e senza ripiano per manicure e schienale, rendendo Wallie perfetto per tutte le situazioni!
